**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT**

**TO THE COMMISSIONER FOR PATENTS**

*Status:* This communication is made in response to the Notice of Non-Compliant Amendment dated 20 October 2005, wherein the Applicant's Response to the Final Office Action dated 12 July 2005 did not contain tracked changes in claims 1 and 2.

The Response to Final Office Action of 12 July 2005 is submitted in its entirety below, with the changes tracked in claims 1 and 2. No other changes have been made to the Response. Applicant's attorney has tried to replicate how the Response could have shown tracked changes on all pages but page 2, but the anomaly could not be replicated or explained. It is assumed that some computer malfunction occurred to cause this non-compliant amendment, as the stored electronic version shows the tracked changes. Applicant requests that the Examiner please reconsider the application in view of this communication.

**Amendments regarding Claims** begins on page 2 of this paper; and

**Remarks/Arguments** begin on page 5 of this paper.
